TRIVIA NIGHT SUCCESS

Thanks everyone for such a great night last Friday night. A good turnout of around 45 people all ready to have a good time. Mr. Moyle was in fine style and kept everyone entertained with his commentary and wide selection of questions. A big hit for the night was the paper plane competition.

Interference came from a few quarters— try a hat! The 'Team' of Jayne Thackray, Genevieve Bolwell and Ben Moyle kept the show running.

This term has been a very busy one for DET audits and follow up sessions.

In March the school went through an OH&S audit. The report was sent to the school and this term we are addressing the items listed for updating. We have completed many of them already.

On Monday May 20th, Theo Apostolides from MARSH visited & we were able to significantly complete our compliance checklist. We will be revisited in June and again in September to see how we are progressing on the recommendations.

Finance Audit— On Friday May 17th we were audited and found to be compliant in all but a few items. These will be presented at School Council and form part of the Finance Committee agenda each month.

Bus Audit. Another audit in the same week! Two representatives from Transport Vic visited and reviewed our school's bus policies and practices. One outcome was the advice that we do NOT need to have drivers with Taxi Accreditation. If the school is a registered bus provide then that is sufficient. I wish they'd told me before I renewed my accreditation! We also have done 'overkill' on the paperwork. Only two recommendations were listed.

Buster has passed the annual inspection and is cleared for take-off!

.....
We received a lovely compliment last week. A visitor to the school made comment that *the children here are very happy and relaxed. At ease*. This is in contrast to the bigger schools this person visits frequently in their line of work.

Another testament to the environment in which you all choose to raise your children.!

Some of the activities listed for next week- We will brainstorm the jobs we'd like to do in the future and create a poster which will be on display in the hall.

Thursday is Biggest Morning Tea. We visit the Jamieson Hall where we join the community for a cuppa, some yummy food and join in the fun on stage with Denis Tucker. The students will show the public the pictures they've created about their dream job. The parents and friends will join us at the hall.

Thursday is also the MARC Van visit, where we will collect books on 'Careers'. A collection of hats matched to jobs will be part of group games that we will play during the week.

The senior students have been preparing an election campaign and they'll present the case of 'Whose job is best!?' Preferential voting will decide. This will form part of our already loaded schedule of normal educational activities.
