Japanese Language Assistant: Misaki Inoue

Wine & Cheese Success!!

A huge thank you to the many helpers who worked to support the school on the night and with the set up/clean up. It was a great night with a good attendance and great atmosphere.
We had 86 attendees and Stewart Bryant expertly did the auctioneering for us. A fabulous range of wines from Ros Richie and Delatite as well as ciders from tin shed and beers from Jamieson Brewery were our stall holders. Auction items featured a 6 pack of Mt. Terrible Estate Wines, a crab apple from Greenstone Trees. As always the cheeses were exceptional courtesy of Meribel.

We estimate that we have raised approx. $3400. Yay!

PLC: Mr Moyle and I completed our training last Tuesday at Merrijig. We presented our 'Pecha Kucha'- a PowerPoint outlining the process we followed, our planning, procedures and results form the Learning intervention that we undertook. Overall, it was deemed a success and moving into 2020, this process (PLC) will form part of our planning and teaching to address any learning difficulties the students are experiencing in both numeracy and literacy.
Thank you for your support whilst we have been away from the school. I must also thank Judy Dixon and Bec McCallion for their expertise in keeping the school running in our absence.

Lauriston Girls Visit:

On Monday, we trekked to Howqua to the Lauriston Girls school for a visit.
We were able to catch up with the girls who helped run our music program and performed a community concert in June.
They gave us a tour of their school and classrooms, they showed us their accommodation as well as the dining hall. We shared delicious lunch together with them as well.
We were able to tour the grounds and see what life was like as a Lauriston student. We went for a walk with them to the creek and then played a balancing game. We had a great time. More photos are on page 6 of the newsletter.

P-2 Camp and Healesville Sanctuary Trip:

Permission slips for these events have been placed in pigeon holes. Can these please be returned to school in a timely manner. Please ensure that the phone numbers and emergency contacts are correct for your child.

Parent Workshop

FREE EVENT!

Advocating for Your Child

Parents and schools working together

Advocating for Your Child is a new workshop for parents of students with disability in primary school.

The workshop looks at:

- What advocacy means and why it's important
- How to create positive partnerships with schools
- Children's rights in education
- How parents can advocate for their child

The workshop provides an opportunity to learn how to work effectively with your child's teacher and school to achieve positive educational outcomes for their child.

Bookings essential. Presented by the Association for Children with a Disability (ACD) **www.acd.org.au**

VICTORIA State Government Education and Training

Association for Children with a Disability

MANSFIELD COMMUNITY WORKSHOP

IMPROVING CHILDREN'S HEALTH: Healthy Eating & Active Living

Do you want to be involved in helping improve the health of children, young people families and the community?

All community members are invited to attend a workshop and be involved in an exciting new way that is looking to community to find ways to improve the health of children in Mansfield.

What do we know about children in Mansfield?

In 2019, health & wellbeing information was collected from primary school students in years 2, 4 and 6

Some facts:

- 24.5% Girls & 21% Boys are overweight or obese
- 20.7% Girls & 31% boys met physical activity guidelines every day during the previous week
- 12.1% Girls & 11.3% Boys meet vegetable consumption guidelines
- 34.5% Girls & 50.7% Boys are consuming the recommended 5-6 glasses of water per day

Following the concert there will be a Family BYO BBQ at Big Pool River Reserve.

Random Acts of Kindness

As a part of the VCOP program we run in the school, we have put our hands up to be involved in the random acts of kindness letter exchange.

Within this program, there are 24 school in each group which are assigned an act of kindness.
These are distributed through a letter from each school in the program. There is a special bauble numbered 1-24 with the act of kindness on the back.

We will be eagerly checking the mail in the next few weeks as our random acts of kindness are delivered to us. The students will create a display from the baubles we receive from all across Australia.
Students will be locating where the other participating schools in our group are on a map.

On Wednesday, we went down to the Jamo Post Office to send off our letters. Luckily we had some expert advice and guidance on the different types of postage from Jess.

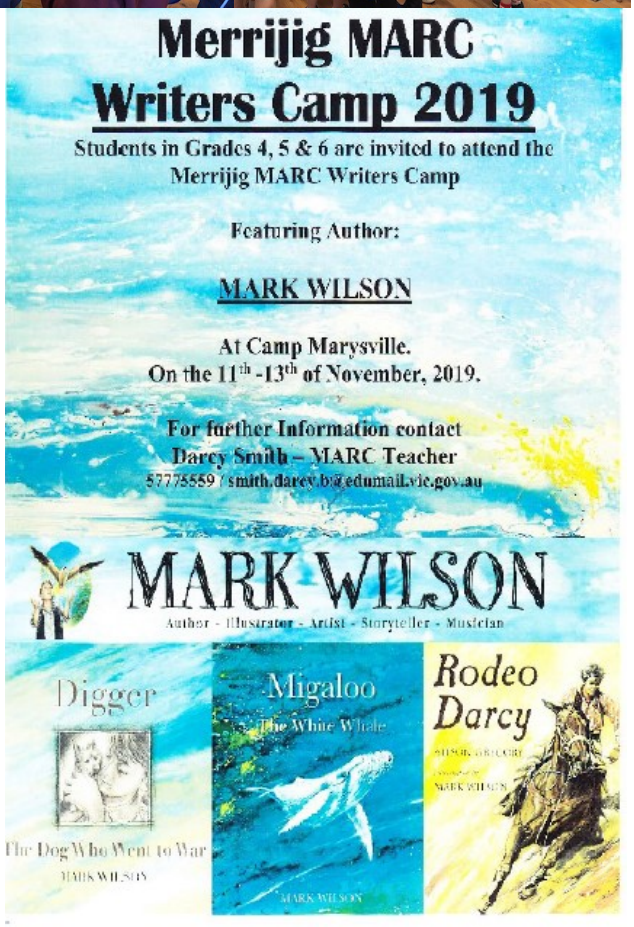
RANDOM ACTS of Kindness

Australia Post Pen Pals Program

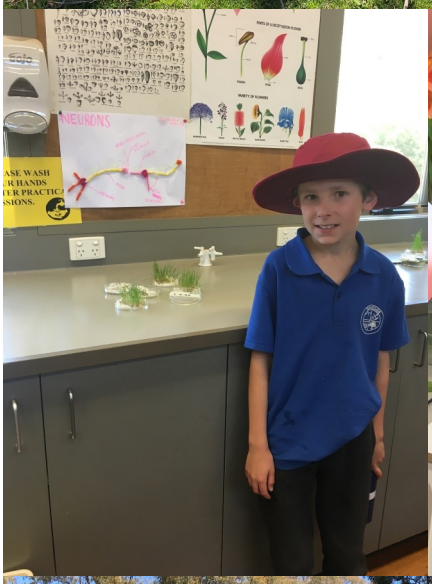
Along with the Random Acts of Kindness Program, we are also a participant school in the Australia Post Pen Pals Program. We have been paired with a school very similar in size of our own in Butcher's Creek in Queensland.

The students have been able to research and map how far it is from Jamieson, which is a very long way.

We look forward to improving our letter writing skills through these two programs as well as getting perspectives from other students around Australia.



LAURISTON VISIT



RESPECT
