PACER

Parliament The Parliament and Civics Education Rebate (PACER) is an initiative of the Australian Government which provides some financial assistance for students in Year 4-12 across Australia to travel to Canberra, the nation's capital.

Dear parents

Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Costings will be calculated for each student. Camps fund (CSEF) deduction and the PACER rebate will be applied. If you have already paid your child's fees any refunds will be allocated to your family account.

GRIP Leadership

- Generosity
- Responsibility
- Integrity
- People

On Wednesday 13th of March grade 5,6 went to Melbourne to go to a leadership conference we did lots of fun things, like- Loud Noises where we had to guess a password, role play music, bust-a-move dancing and musical statues. We got given a book to write answers and other things. We learnt lots about being a good leader and how to be one. We learnt about the CORE of leadership.

Confidence with humility
Others focused
Reliability
Empathy

We were able to wear our **Student Leader** badges. Our class meetings will include our activities and actions to help improve our school's goals and also be a forum to give feedback to School Council on issues that the students want to bring to SC.

On the 14th of March the grade 5 and 6s went to Melbourne for a leadership conference. We got little booklets to answer on and we got to be called up to the stage if we were in the front. I didn't get to go on stage because I was in the back. We learnt C.O.R.E Confidence in humility. Others focused, reliability and Empathy.

My favourite thing is Loud noises. In loud noises we had to shout and join in the guessing games. The Grade Sixes wore their leadership T-shirts for the first time.
